

## Benefits When Training With Locks Lash

- Once you train with Locks Lash & become a Locks Lash Technician all future purchases of Locks Lash products will have a 15% Locks Technician discount allocated to it. That can add up to massive savings throughout your Eyelash Extensions Career.
- We keep in touch. Being a Locks Lash Technician you receive our frequent industry knowledge updates for continuing education. Subscribe to our Locks Lash Blog RSS feed on our website & Locks Lash Face Book page to automatically receive latest blog posts. Our blog posts include any new product updates, any application revisions, addendums, extension tips & more.
- Locks Lash has a website where you can conveniently purchase your supplies 24/7 & easily allocate your 15% Tech discount to all purchases online. Call through & showroom orders are also available.
- To help with your business leads all Locks Lash Technicians can get listed on our "Find a Technician" page on the Locks Lash website. If someone is looking for an extension service they can scroll through the Locks Lash list of technicians closest to their location.  
**ITS TOTALLY FREE BECAUSE WE CARE ABOUT YOUR SUCCESS!**
- On-going Support & advice is available at your fingertips by contacting us by email, phone or coming in to our office. You may have a question about an application, product or anything related to Locks Lash Extensions which can be easily answered for you.
- All Certified Locks Lash technicians receive our gorgeous Locks Lash images which they can use in their Marketing, website, business cards to help create visual appeal and interest amongst their clients. We also provide you with impressive before & after shots which show your clients what Locks Lash extensions can do for them.
