TO WHOM IT MAY CONCERN:

RE: LETTER OF SUPPORT

As a council member for the City of Monrovia, and I am writing to express my support for the International Charter School (ICS) of La Mirada.

As a former Board Vice-President for the Monrovia School District and a parent of two elementary children, I am aware of the need for international programs promoting a recognized International Baccalaureate curriculum. It is these types of innovative educational opportunities that will ensure our children are wholly prepared to lead us into the future on a global scale

I understand that this school is also supported by the German Consulate, the Swiss Consulate and the Austrian Consulate as well. Also, many other public officials and educators are taking note of the excellent reputation of ICS of La Mirada. Their support only solidifies my decision to support the endeavors of these educators, parents and advocates for the International Charter School of La Mirada.

Expanding Norwalk-La Mirada School District programs to include is ICS is a tremendous opportunity for both the children, parents and the community as a whole. Choice is an option that should be made available to all.

With confidence, I fully support the International Charter School of La Mirada. Please contact my office with any questions at (562) 908-8528 or (626) 622-5060 or via e-mail at Shaw2005@verizon.net.

Sincerely,

Clarence R. Shaw
Council Member, Monrovia City Council
