**Bonuses may be paid for no rejects & no late shows.**

**Rejects:** You need to update your schedule on a regular basis so that your name will not show up if you are not available for games. If you are assigned a game and cannot accept the game, do so quickly so that we can reassign the game. If you reject more than three games, you will not bonus.

**Late Shows:** The rules of the game state that a referee should be at the field a half hour before the game to check the fields and the teams. There are always delays and traffic to deal with but if we try to be on time, we should make it to the fields without causing anyone to worry. If I receive a call or text about you not being at the field for game time, you will not bonus.
