## Piecing Together...

What a great auction we had in October. Thanks to all who contributed items and services, to all who purchased items, and to those who worked to make this year's auction a success. We raised \$1273.00 from the auction and had additional donations of \$50.50 for a grand total of 1323.50. Special thanks to Lorrae Moon for your time and effort in organizing this year's event. Great job!

Please don't miss our last meeting of the year. November will be our Holiday Party which is being organized by the executive board. Our meal will be a pot luck. If you did not have a chance to sign up to bring your favorite dish, please contact Flora Sullivan (824-6570). We will also be doing an ornament exchange again this year. We are asking that ornaments be handmade. So if you want to participate, simply bring a handmade ornament to the party. We are planning some games and just a great time to relax, socialize and eat some great food prepared by great quilters! Don't miss this opportunity to wish a Happy Holiday to all your quilting friends. Mark the date - Tuesday November 15<sup>th</sup>, 6:30 pm at the Hampton Inn. See you there!

Don't forget to renew your membership. Membership renewals are now being accepted for 2012. Dues remain at \$20.00 (with an e-mailed newsletter) and \$25.00 for a postage service mailed newsletter. We have had many e-mail messages returned which is a concern, since we communicate so much information by e-mail. Therefore we are asking that all membership renewals include an updated membership form. You can pick a form up at the November meeting or download one from our website at [www.yvpmquiltguild.com](http://www.yvpmquiltguild.com). All memberships must be renewed by January 31, 2012.

Until next time...  
Happy Piecing!

*Tina*

## Housekeeping!

We still have openings on many committees for next year. Please consider serving on a committee so that we can continue to provide all the benefits and opportunities to our members and our community. Some of our committee members and chairs have been serving for several years and would appreciate a change or a break. If you enjoy being a part of the guild, please help us continue our work by serving on a committee.

## What's Up!!

Just a reminder to take full advantage of the What's Up Board at our general meetings. This is your place to share the things that you may have upcoming or ongoing!
