

FBC Preschool Of Lenoir

Our Mission

At First Baptist Preschool, we strive to offer the finest in Christian early education in a safe and loving environment. We are a ministry and mission of First Baptist Church, supporting local families by providing care, Biblical education and growth opportunities.

Our Curriculum

Our program uses Gospel Light's Bright Beginnings curriculum. It is age appropriate and intended to let children develop intellectually, socially, emotionally, spiritually and creatively. Bible stories, memory verses and prayer time are part of our daily routine.

We encourage independence and imagination. Our students learn to make new friends and share, and through play and exploration, they also learn about themselves, their abilities and God's great big world.

Colors, shapes, letters and numbers are introduced, as well as holiday, seasonal and traditional themes. Our Pre-K classes are further enriched with additional kindergarten readiness skills such as Letterland, D'Nealian handwriting, pre-math, phonics, and trips to the church library to check out books.

Our Schedule

Center Time Art Music
Outside Play Bible Story Time
Computer Time Free Play
Crafts Circle Time Snack
