Thursday
May 16, 2013
7:50am - 3:30pm

Marriott Regency
10220 Regency Circle
Omaha, NE

Registration opens: 7:30am
Program begins: 7:50am

DON’T MISS OUT—REGISTER ONLINE TODAY AT:
http://www.2013nebraskastrokesymposium.eventbrite.com
Purpose:
This symposium has been designed to meet the needs of a broad spectrum of healthcare professionals. It will provide important information on the current thinking of modern stroke management and understanding stroke.

Objectives:
- Present appropriate medical therapy for acute management of stroke.
- Identify the unique challenges of presentation and diagnosis of stroke in women.
- Review the basics for primary and secondary stroke prevention.
- Demonstrate rehabilitation potential after stroke.
- Describe the use of technology integration into cognitive rehabilitation.
- Examine strategies to improve coordination of stroke rehabilitation across Nebraska.

Target Audience:
Physicians, Nurses, Nurse Practitioners, Physician Assistants, Physical Therapists, Physical Therapist Assistants, Occupational Therapists, Occupational Therapist Assistants, Speech Therapists, EMT’s, Social Workers, and other health care providers involved in the care of the stroke patient.

Registrations:
Go to www.2013nebraskastroympoimun.eventbrite.com
Fee: $75.00 Registration Deadline: May 13th
Fee includes continuing education hours, access to program materials, lunch and snacks.
