### Belle

BY BETHANY STRATTON

My imaginary horse.

Black is her colour,  
No other.

Born in May,  
Oh, what a wonderful day that was!  
My horse Belle is one of a kind.

Her favourite food consists of apples,  
Most of her horse-y friends,  
Are dapple grey!

Her breed, a Friesian,  
Her need for a ride,  
Makes me tired, every two hours a day!

Her lush black hair goes down to her withers,  
Oh boy, is she an 'Alpha Mare'!

Kisses and hugs twenty-four hours a day!  
You have to wake up sometime though...

See you tonight,  
My Sweet Belle!

Bethany Stratton. VIC

everybody a horsey new year

"Phew...you horsey folk sure know how to draw, don't you? We've been getting so many letters, drawings and emails lately, that Twilight has been getting the sheep to help her sort through them all! We have Baaaaaaazillions of letters arriving each day... We all love reading all your messages and stories...and make sure you check out all our THC 'horse helper competition' finalists on pages 20 and 21 of this issue. Wow...how lucky are we all to have so many fantastic horsey friends to help us? This issue, Twilight and the sheep thought it would be fun to try on some fancy dress outfits. Have you ever seen a Merino in a pirate outfit?! Scary stuff! Blondie wants to be a fairy, but I'm thinking we should dress her up as a 'chatter box' instead! So...if you have a fantastic, high resolution photo of you and your pony in fancy dress costume, or you would like to draw us a picture or design of your 'dream' horsey outfit, just email me at [thc@horsewise.com.au](mailto:thc@horsewise.com.au) OR post it to me: c/o Horsewise THC Fancy Dress Comp. PO Box 260, Pambula, NSW 2549. We have some great 'surprises' up for grabs and Twilight is planning a bit of a costume party for our Horse's Birthday in August...so I need as many fancy dress ideas as I can get! Maybe I could dress up as the Pony Express Mail Service? See you soon HW fans!

any letters  
for us?
