## A Message From the Pastor

Dear St. Louis Parish,

As we continue our understanding of the changes in the Roman Missal, our next question might be “what difference will these changes make in our parish?”

Some of the differences will be obvious immediately. We will have to learn new musical settings for the various parts of the Mass. We will learn new words for common prayers, such as the Creed. Those of us who began saying the Mass prayers by heart long ago will need to rely on printed texts again, at least for a while. In the early months of the transition, we may find it more challenging to pray with one voice as people adjust to the new texts and gradually commit them to their hearts. But these surface differences will give way to deeper and more significant changes. If we use the time of preparation well, we will make the changes with a deeper understanding of the Liturgy and a renewed reverence for and appreciation of the Mass. We will hear the prayers with new ears and with new hearts. Our Liturgy will be filled with new life and new spirit as we celebrate the Paschal Mystery of Christ made present for us.

I know that the prospect of learning new responses to prayers might be a bit intimidating, but this is a wonderful opportunity for each of us to re-connect with what we do when we celebrate the Eucharist. If the Mass has become somewhat dull through repetition, this is our opportunity to infuse life into our worship. It will be great!

Peace,  
Fr. Randy
