

Faith Formation Commission Report October 18, 2011

October was the start of the First Thursday Holy Hour for Priests and Vocations. Turnout wasn't as high as we hoped for, but for the foreseeable future it will be continued with the hope that more will attend.

The Digging Deeper into the Catholic faith series began October 11th with a talk on Scripture, Tradition, and the Magisterium by Fr. Randy. Several other topics will follow in the coming weeks with a final installment of *The Biblical Walk Through the Mass* that discusses the changes that will take place the First Sunday of Advent.

Also taking place on Friday mornings this fall is *The Biblical Walk Through the Mass* video series and discussion. It too will end with the Mass changes segment.

Respectfully Submitted,
Kim Koehne
