

Lifetime Installation Warranty

Builders Floor Covering & Tile (BFCT) warrants all wood floor installation labor for the lifetime of the wood floor from the date of installation. This warranty applies to the installation of first quality wood floor purchased from BFCT and installed by BFCT over an approved subfloor. Our labor is warranted for as long as the original installation remains unaltered and the original retail purchaser of the wood floor occupies the residence. This warranty does not apply to purchases made through a builder or remodeler.

All product structural and finish warranties are the responsibility of the manufacturer. Any installation failure caused by environmental or structural conditions of the residence is the responsibility of the purchaser. It is the responsibility of the purchaser to maintain the wood floor by following the particular manufacturer maintenance guidelines. BFCT endorses each particular manufacturer's disclaimers and exclusions, and these become a part of our installation labor warranty.

The sole remedy provided here is the labor only for repair of deficient installation. There are no implied warranties and any damages caused by mold, mildew or water are environmental in nature and are specifically excluded. Consequential or incidental damages resulting from installation services are not covered by this written warranty.
