

Lifetime Installation Warranty Tile Floors

Builders Floor Covering (BFC) warrants all tile floor installation labor for the lifetime of the tile. Our labor is warranted for as long as the original installation remains unaltered and the original purchaser of the tile occupies the residence. This warranty applies to the installation of a first quality tile floor purchased from BFC and installed by BFC over an approved subfloor.

All product structural and finish warranties are the responsibility of the manufacturer. Any installation failure caused by environmental or structural conditions of the building is the responsibility of the purchaser. It is the responsibility of the purchaser to maintain the tile floor by following the particular manufacturer's maintenance guidelines. BFC endorses each particular manufacturer's disclaimers and exclusions, and these become a part of our installation labor warranty.

The sole remedy provided here is the labor only for repair of deficient installation. There are no implied warranties and any damages caused by mold or mildew are environmental in nature and are specifically excluded. Consequential or incidental damages resulting from installation services are not covered by this written warranty.
