

Lifetime Installation Warranty Residential Carpet Floors

Builders Floor Covering (BFC) warrants all carpet installation labor for the lifetime of the carpet. Our labor is warranted for as long as the original installation remains unaltered and the original purchaser of the carpet occupies the residence. This warranty applies to residential (non-commercial) installation of first quality carpet purchased from BFC and installed by BFC over first quality cushion with a minimum of eight-pound density.

All carpet and cushion performance warranties are the responsibility of their respective manufacturers. Any installation failure or deficiencies caused by environmental or structural conditions of the residence are the homeowners' responsibility. The homeowner must maintain the carpet according to the particular manufacturer maintenance guidelines. Types of service provided at no charge under the terms of this warranty include reworking of seams which gap, unravel or fray; restretching of carpet which wrinkles and replacement or repair of transition materials which become detached under normal use.

This warranty does not apply to repairs necessitated by abuse, flooding, mold, mildew, improper cleaning, or by customers' repairs or refitting of carpet. The sole remedy provided here is the labor only for repair of deficient installation. There are no implied warranties and consequential or incidental damages resulting from installation services are not covered by this written warranty.
