Annelie E. Weber, DTM
District 18

Annelie E. Weber retired after serving nearly 28 years serving as a congressional staffer on Capitol Hill for the Committee on the Judiciary, U.S. House of Representatives. No surprise, that she loves politics

Annelie's involvement with Toastmasters International goes back nearly 30 years. She belongs to three Toastmaster clubs and served in numerous leadership offices both in the club, area, division and district levels. When serving as District Governor, Annelie took the District from its ranking of #46 to #7 in the world and #3 in the US.

She then wanted to serve the Toastmasters International community, competed with three others for the position of International Director and was elected by over 2000 members to serve on the Board of Directors of Toastmasters International. She now serves the Toastmasters community as seminar leader, leadership and communications trainer, coach and motivational speaker.
