My children, my children, my beloved children,

How much joy it brings me that you are here, and I would wish that my joy continue as I go home with you, that you would share with others what you have received. Be prepared to be inconvenienced for the love of God, for a little inconvenience now will bring you much joy in the everlasting. Do not leave my sanctuary today without making a resolution to do things God's way. For his ways are far more than you could ever imagine, and he is only asking a small sacrifice from you: to love. Step out, step out of where you are comfortable, and you will find me.

My children, you seek after joy. Seek after knowing how to love, how to surpass your own needs and wants and seek after God's needs for your heart, for he calls you to return back to him with your whole heart, mind, and strength. Joy is found in the heart of God.

My children bring to me your hearts and give them to me and you will also see a change in your family's hearts. There is too much talk and not enough action; place into action the love I described to you. Do not be afraid of what you will lack when you give. Know that everything you give is for the glory of God!

Now my children, I give you a prayer that everyone here is called to say for all of your brothers and sisters.

PRAYER OF INTERCESSION¹

Almighty Father, creator of heaven and earth, creator of all, we plead now for an outpouring of the grace of *the desire to follow you and to do your will*. Pour out your Holy Spirit of love that your beloved ones would want more, thus seeking you, [the source of] where to get filled. We call on all the warriors of God to quench the arrows of Satan on God's people, thus allowing [your people] to say yes to you. We pray this with our beloved mother. Amen.²

Mary Constancio –Messenger

¹ From Mary Constancio: Remember that Our Beloved Mother is not just asking us to pray this prayer by ourselves, but she is going to pray this prayer with us.

² *From the notes of Mary Constancio:* Our beloved mother says that His children are being devoured by the *Satan of More* and thus not being satisfied and grateful for what... [they] already have: they are seeking after things instead of God, for these things have become their Gods. Be therefore, satisfied.

I saw the most glorious vision in our Blessed Mother's mantle: she took me into the mantle where it was so, so bright, that it was gold.

I felt so loved and safe. She said that this is my refuge for Jesus is here. I was enveloped with so much peace that I did not want to come out. She says that this [her mantle] is a safe place from the world, from the world entering our hearts.
