# Kids' Camp 2010

## July 27-31

### Church Leaders and Children's Ministry Leaders,

We are excited to announce the coolest summer camp around for summer 2010! We would like to invite your children who are about to complete grades 2-6 to attend the South Coastal District Kids' Camp this summer!

Kids' Camp will be a fun and exciting time for kids to grow in their faith and grow in relationship with each other and their leaders as we focus on what it means to have total commitment to God. We will surf through the word, make a splash in the world, and dive into full-on commitment as we worship and learn together!

Kids' Camp is a special time for kids and leaders to get away from the norm and take time to have fun and focus on what's really important! Please make this a high priority for your kids this summer—they will benefit greatly! Kids will love the high-energy music and worship services, wild and crazy games, a rockin' concert, and much more!

Kids' Camp will take place from Tuesday, July 27-Saturday, July 31, 2010 at Rolling Hills Conference Center in Calera, AL. The cost is \$149.00 per student. **We encourage churches to plan now to invest in your children by providing sponsorships and/or fundraisers to help them cover the cost of camp, and we also encourage you to let families know now so they can start saving money.**

Each person attending camp will need to turn in a non-refundable \$50 deposit by \_\_\_\_\_. The deadline to turn in the registrations and money will be June 15, 2010. After June 15, 2010, the cost goes up to \$159.00 per person. The last deadline to turn in registrations and money will be June 15, 2010. **We will send out registration forms soon.**

We hope you can attend Kids' Camp 2010!
