**It all begins with education...**

Help achieve universal primary education for all, reduce child mortality, combat HIV/AIDS malaria and other diseases... **making the UN Millennium Goals a reality.**

Join us for a service of worship through U2 music, devotion, spoken word, prayer and Holy Communion.

Free-will collection will be donated to help build a school and health center in the Sudan.

Our mission is the welcome all, reach out to others, and grow in faith.
