Dear Wayne,

Please let this serve as written notification that Depression and Bipolar Support Alliance Greater Houston (DBSA) conducts criminal background checks on all of its volunteer and paid facilitators when they first begin facilitating and every subsequent January.

As such, a criminal background check was conducted for Daniel Kennedy on September 29, 2008, and it came back clear. Mr. Kennedy, who will be facilitating the DBSA support group that will begin at Cypress Bible Church on November 16th, is a licensed mental health professional. He will lead the group with the intent to later identify a group participant who is capable and willing to eventually take over and voluntarily facilitate the support group. All facilitators consent to a criminal background check, and they are supervised by the Program Staff of DBSA, which are all mental health professionals.

If you have any questions, please contact the DBSA office at 713-600-1131.

Sincerely,

Sandy Robertson, LPC
Program Director
