Tod Gates
*Assistant Chief
Lynnwood Fire
Department*

November 16, 2010

To current and prospective team members,

We are now in open application period for filling team positions. **All current team members will need to reapply as well.**

Current team members can use your previous application with:

1. A new 2011 front page and form #3 and update any other information if you are applying for the same position.

OR:

2. If you are interested in a different position than the one you currently hold, please indicate that on your **full application for the new position.**

IMPORTANT: Please also have your agency head re-sign the approval (form #3) for your participation and resubmit by December 18.

We are particularly interested in recruiting for the following positions:

Communications Unit Leader
Division/Group Supervisor
Finance Section Chief (T)
Status Check in Recorder

If you have folks in your organization you think would fit in any of the above positions, please let them know. Attached is a 2011 application.

Applications will be accepted through Dec. 17. Applications, whether a new front page or a complete application should be **signed and an electronic PDF document** should be emailed to: tgates@ci.lynnwood.wa.us.

Please contact either Bill or I with any questions.

Thanks,

Bill Boyd

Tod Gates
