

Admissions Policy

Al-Khair School is part of the Al-Khair Foundation and is fully committed to equal opportunities in education. No applicant to Al-Khair should be discriminated against on the basis of race, nationality, colour or ethnic origin.

Parents complete an application form for entry, which can be obtained from the school website (www.alkhair.croydon.sch.uk) or from the school office. This is returned to the School Administrator with a fee of £35.00. The building constraints of the school limit the intake to single entry with a maximum of sixteen pupils per class, and therefore, the order in which applications are received is relevant when offers of places are being considered.

Reports from a school currently attended by an applicant are not always available and thus do not form part of the selection procedure.

Siblings are not given priority although if a sibling achieves exactly the same mark as an applicant who does not have a brother/sister in school then the sibling will be awarded the place.

Offers are made on the basis of merit order related to the applicant's performance in the Entrance Examination. Applicants for places in the Early Learning Year and Key Stage 1 are not required to take an examination, however, the parents will be asked to come in for an interview with the Primary Co-ordinator.

A reserve list will be held and all applicants on the list are considered to have qualified for entry to Al-Khair should a vacancy become available.

Some applicants may not achieve a satisfactory standard and places will not be offered.

Year 6 pupils of Al-Khair are expected to take the Entrance Examination although places may be allocated to them on the basis of their work in the Primary School.

The final opportunity for admission to the school is for pupils currently studying in Year 9, although places can be awarded to pupils in Year 10 at the Headmaster's discretion.
