How can I help my child in this subject?

Keeping in mind that most parents will not have the ability to offer extensive help to their children in this particular subject, it is imperative that you insure that they complete the work they are set for homework. The dialogues in each chapter have audio files associated with them. These files have been given to each student with the text book. Please try to ensure your son regularly listens to the dialogues and reads the text to improve pronunciation and to aid memorisation of the vocabulary.

Who do I contact if I have concerns about my child's progress in this subject?

Please feel free to contact me at the school from 9.00-16:00 if you have any questions or concerns. Alternatively, leave a note in your child's homework diary and I will try to give you a written response on the same day.
