**Term:** Summer

**Year:** 11

**Teacher:** Mrs Annie Khan

### What will we be covering this term?

**1<sup>st</sup> Half Term:** Students will be in school for scheduled lessons towards the start of the term. They will use this time to sit practice timed papers. They must ensure they approach me with any topic that they feel uncomfortable with or which they wish to get extra help with. This will be the final chance the boys have for help before the exams so they should utilise it!

**2<sup>nd</sup> Half Term:** Students will be busy with their final GCSE examinations. May Allah (swt) help them in their efforts and bless them with good grades, inshallah!

### How will my child be assessed this term?

Timed essays will be either peer assessed which will give the boys a firm grasp of the mark schemes, or they will be marked by myself. Any boy who wishes to have personal feedback on a particular essay is free to come and see me individually during the course of the school day.

### How can I help my child in this subject?

Students will benefit from having a designated quiet space in which they can study. Students should be spending at least 8-10 hours studying when at home. They should have specific outcomes in mind for each study period (ie a timed essay or learning 30 quotations), rather than simply reading over work.

### Who do I contact if I have concerns about my child's progress in this subject?

Please feel free to contact me at the school from 9.00-12:30 if you have any questions or concerns.
