Debris Monitors needed for Flood Cleanup (Escambia County/City of Pensacola) **\$11.00 per hour**

Leidos-BDR specializes in the recovery of communities after a disaster resulting from weather events. We are currently recruiting in Escambia County for Debris Removal Monitors. Sign up today only to become a paid worker in your community.

Position Description: Field Monitor

- Principal duties will be to ensure that loads are properly collected from the public right-of-way. Employees in this position are the "on-site" monitor for the collection of debris. As a field monitor, you will supervise disaster debris as it is loaded into hauling vehicles to ensure eligibility.

Candidates should also meet these criteria:

- Own reliable transportation, available for all day use
- Willing and able to work 12 -- 14 hours a day, 6 -- 7 days a week, possibly in inclement weather
- Have a valid driver's license\*\*
- Have proof of auto insurance\*\*
- Provide valid I9 documentation\*\*

-- In addition to a valid driver's license, any one of the following. . . Social Security Card, Birth Certificate, Passport, or Green Card

\*\*Must bring with you when you meet with an Leidos BDR representative

Training will be conducted for all selected staff. Employment will be temporary and contingent upon successful completion of the required training program and employment verification. Individuals can expect to work 60-84 hours per week based on the needs of the operation.

If interested, please send resume or Letter of Interest with "Debris Monitors-Escambia/Pensacola" in the subject line.
