We agree to provide you with a qualified Service Technician to inspect your air conditioning and heating systems(s). The preventative maintenance inspections to be performed as part of the Agreement include ___ inspection (___ per year and ___ additional filter changes. No repairs or improvements will be undertaken without your authority. Material and labor for such repairs will be discounted from our prevailing rates. Diagnostic charges for repair service are at a lower set rate and are the same whether it is during regular hours, after hours or holidays. Replacement of air conditioning and/or heating systems and duct work do not qualify for these discounts.

Routine Maintenance consisting of:

- Check indoor and outdoor coils
- Check safety controls
- Check and adjust blower components
- Check for proper temperature difference
- Check voltage and amperage on motors
- Check operating pressures
- Check and **clean** filters
- Check for correct air flow
- Check all electrical connections
- Apply protective coating to outside unit
- Check starting capabilities
- Clean condensate drain
- Check electric heaters
- Check thermostat calibration
- Lubricate all moving parts

Additional Benefits: Improved efficiency, extended equipment life, improved capacity, improved indoor air quality, 15% discount on repair parts, 10% discount on repair labor, priority customer and no overtime rates. In addition to the precision tune-ups, professional cleanings and maintenance services listed above, we will provide you with emergency service that operates 24 hours a day, 365 days a year. Through our emergency service and stand-by personnel, we are always "on-call" to furnish and install replacement parts necessary to maintain the listed equipment in good operating condition. Moving? Take your benefits with you.
