

Treasure Chest Assembly Instructions (db0673)

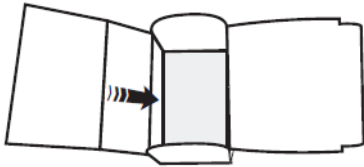

1. Lay box with the top (A) away from you and bottom (B) closest to you.

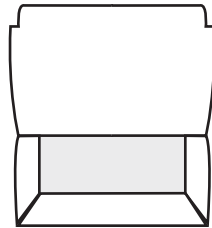

2. Open up box and fold the two side flaps in first. Then fold the bottom flap up as shown.

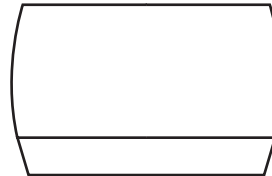

3. Fold down the top flap and tuck it in to the bottom flap as shown.

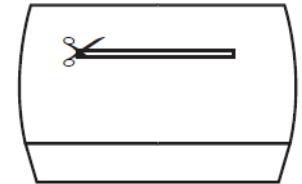

4. Flip box over and fold the flat flap into the side of the box.

5. Fold scored flap to create chest shape.

6. Insert the scored flap inside of box.

7. Use a metal ruler and utility knife to carefully cut a thin, 8 inch opening on scored flap/lid.
