THE ART OF MASSAGE CUPPING

THERAPY WORKSHOP

This three-day workshop begins at 9:00 am and concludes 5:00 pm each day. Please arrive 15 minutes prior to class each day. Successful completion earns 22 NCBTMB CE credits. Graduates of this program become Certified Massage Cupping™ Practitioners and are listed on the national website with contact information. A wall certificate is issued upon completion of the workshop.

Please be prompt and dress comfortably. We suggest bringing a sweater or light jacket for warmth and water for hydration. Lunch will be determined each day by the presenter and will be one hour long.

What to expect from class

Expect the unexpected! Each student responds to this modality based on their condition at the time. There is a high level of hands-on work, much more Massage Cupping™ bodywork
