

# Middle School Electives

Students have a choice of one elective per semester. These electives will meet once a week on Friday.

**Arts and Crafts-** Enjoy summer camp all semester! Students will have the opportunity to explore a variety of crafting and eating opportunities, including: scrapbooking, candy making, stenciling, stamping, baking/cake decorating, sewing, decoupage and much more! There is a \$20.00 fee.

**Big Brothers/Big Sisters of ICS-** Students will mentor kindergarten age children by participating in the learning fun. This will involve reading a story, game playing, creative activities and much more!

**Chess-** Children, who learn chess, strengthen problem solving skills, learn how to make independent decisions, and strengthen critical thinking skills. Learn the mind-bending strategies of this brilliant and complex game. Test your skills against other students and the teacher. This class will get you on your way to being the GRAND MASTER...but only if you make the right moves!

**Student Council-** Students interested in planning events for the junior high such as dress up days, lunch time competitions, and activities outside of school, including Snow Day, should sign up for this class. Student Council will also help plan chapels, community service work days, and assist the administration in a variety of ways. This elective is limited to 5 students. Students who sign up for this class must be leaders and role models in their actions, words, and behavior, and most of all they must set a Christlike example. Students must also have all work turned in on time and maintain a 2.5 GPA.

**Voice/Worship Team-** Participate in school chapels by group singing or playing of instruments. You must be willing to perform in public and show musical competence.

**Tech Crew-** Participate in school programs by setting up and running technical equipment such as microphones, mixers, computers, projectors and lights. You must be willing to come early on performance dates to set up and stay late to tear down the equipment.
