

## Philosophy and Purpose

A Christian School is an extension of the home in training children for time and eternity. We will work closely with the parents to train the whole child.

The objective of our school is to provide a program that will develop the child spiritually, mentally, and socially. The children are taught to love one another in word and deed: becoming more like Christ in all they do. Our purpose here on earth is to bring glory to God. We have qualified, dedicated Christian teachers who strive to live this out in the classroom. Knowing children learn best by example, we strive to show Christ's love in all we do.

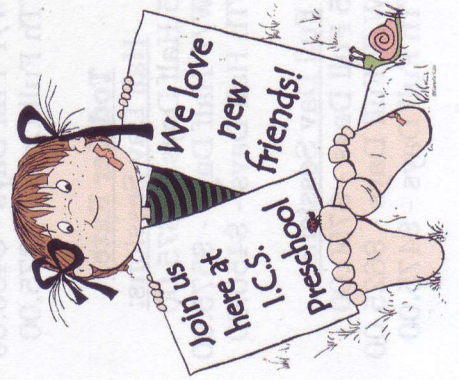

Independence Christian Preschool is designed to assist those families who are entrusted with children by providing a unique, Christ-centered education in a loving, personal environment. We place a strong emphasis on the total development of the individual child. Our developmental and academic program is enhanced and balanced with special attention to the spiritual and emotional needs of each child.

Welcome to Independence Christian Preschool! We are so glad you have considered our school. We would love to work with your family and be of any help we can during the early years of your child's life.

We understand it is an awesome responsibility and privilege to help you with this training of your child. Our desire is to provide a loving and secure environment where your child will be loved and cared for, an extension of your family to ours.

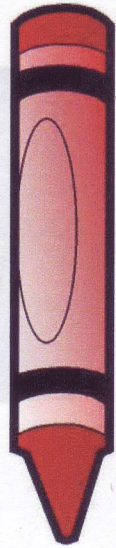

Your child comes to us with abundant curiosity, ready to explore, discover, learn, and create. It is our goal to help facilitate all of these. Our curriculum includes Bible, Music and Movement, Language Arts, Phonics, Math, Art, Science, and Cooking. If at any time you have questions or concerns, please do not hesitate in contacting us.
