Facilities (Jim Dimmer)

- Facility assessment/evaluation – every 7-10 years
 - EMG Co. (recognized by archdiocese)
- Immediate repairs – to be addressed first due to safety
 - Dave and Father Rich both expressed concerned for parishioners safety and expressed a sense of urgency
 - Short vs. long term perspective for some hazards
 - Railings
 - Handicap ramp and footers are not code
 - Correct signage for parking lot
 - Concrete in front is a hazard
 - Handrail on ramp to church hall
- Jim can take care of mold problem in hall
- Report gives idea of what should be done and could be done with the facility
- Proceed with railing for ramp to the hall
- The facilities committee will need to evaluate non-safety related projects for prioritization.
 - Still need three people to commit to being part of the committee
 - Ideas → J Bryant, D Morsey, B Giesey
 - Planning committee, not working crew
 -
