A.

Before the meeting, the parish council and committee members attended Mass celebrating the Year of the Priest.

After greeting the new members, and introductions all around, Father Jarboe explained, in detail, the who, what, why and how the function of the parish council is accomplished. It is a ministry of shared responsibility. The council looks at items that need meaningful and substantial discussion. It avoids information sharing.

Its goals are to fashion the Pastoral Plan for 2009-2010 for our parish and to fulfill the Mission Statement as a community.

The Parish Council will craft goals for Worship, Faith Formation, Stewardship, Community Life and Pastoral Outreach. These goals should be reasonable and doable. At the end of the year, there will be a review of the goals and their accomplishments.

B.

The fiscal year ends in June. The Financial Committee looks at our weekly donations to fashion our budget for the year. It builds on those projections.

The Bathroom Project was completed and is not included in the 2009-2010 budget. The 3 month maintenance collection did not cover all our expenses and some reserves were used.

We still have to pay the archdiocese \$40,000 for unpaid back assessments.

We will not have to pay rent for Sunday school for the children because we cannot use the facilities of Marley Elementary.

We will not have to pay for Father Halladay's services since he is living in the parish house.

When we are better prepared financially, Father suggested we join the IBLF. This is an internal bank of the archdiocese. We can contribute monies and receive interest. We can also make loans and receive a conservative interest rate

Copies of the budget were handed out to member for their review.

The budget will be presented earlier next year.

C.

80 to 90% of the present pastoral plan will not be used. New goals and objectives will be considered.

New members will get the 2009-2009 Goals tomorrow to look over and rate each objective and goal.

They will be rated on 1. how did we do. 2. how might we do. 3. priority.

Minutes approved for May, and meeting adjourned at 10p.m.
