Mr. Paul Lyle  
Galveston Island Tours  
2328 Market Street  
Galveston, TX 77550

Dear Mr. Lyle:

The Texas Instruments Worldwide MAKE Meeting in September 2006 was impeccable because of the outstanding service we received from Paul Lyle, Lydia Miller and all of the Galveston Island Tours staff. They were flawless during the pre-planning, on-site execution and post-event follow up. Their attention to detail was superb!

The next time Texas Instruments is in Galveston, we will definitely use Galveston Island Tours for any of our events!

Sincerely,

A handwritten signature in black ink that reads 'Heather Johannsen'. The signature is written in a cursive, flowing style.
