## EARLY KINDERGARTEN ENTRANCE APPLICATION 2010-11

Parents/guardians of children who wish to apply for early entrance to kindergarten must complete this form. Kindergarten Screenings are held annually from early April through late May. At this appointment, children will complete an individual screening assessment, led by school staff. Assessments include a variety of activities that measure a child's performance within the following developmental domains: personal and social development, language and literacy, mathematical thinking, physical well-being, and motor development. Recommendation for early entrance to kindergarten will be made based on a review of screening assessment data, parent application checklist, and any other relevant documentation submitted. Parents will be notified in writing of the school's recommendation within 15 days of the assessment session; therefore, results will not be provided on the day of the screening. There will be no retesting if the child is not recommended for kindergarten.

### AGE REQUIREMENT

**Entrance to Kindergarten:** Child **MUST** turn 5 by December 31 of the current school year.

Upon receipt of \$30.00 non refundable payment, your name will be given to our coordinator who will call you to set an appointment for screening. Screening will take place April 15, 2009 –June 30, 2010

**\*Please make check payable to Arizona Charter Academy and mail to:**

**Arizona Charter Academy  
16011 N. Dysart Rd.  
Surprise, AZ 85374**

Completing the assessment is only the first part of the enrollment process.

All screening results will be forwarded to the school Principal for review. At that time you may be asked to meet and discuss your child's social and emotional readiness to assure a successful educational experience.

**I understand this decision is final and there will be no appeal.**
