**Time: 7:00 PM**

**Place: Primary School All-Purpose Room**

The Board of Education invites you to attend a **critical issues input session** to gather information to be used to set criteria for the background, training and experience necessary for the new superintendent of schools. Our search consultant, Charlene Zoerb, New Jersey School Boards Association, will explain the search procedure, the roles played by the Board, the staff and the public in the process, and the calendar for the actual search. Discussion will center on the strengths, concerns, on-going issues and future initiatives which will face the new superintendent. Information gathered, together with input from other focus groups, will be used to shape a variety of candidate review documents and the interview questions.
