

# PARTNERS IN PRINT

- Is my child ready to read?
- How can I help my child become a better reader?
- What should my child know before starting first grade?

These are common questions that parents ask as their child begins to read. **PARTNERS IN PRINT** is a program designed to assist parents in becoming trained partners as they support and encourage their child's reading development. As part of a three-way partnership with parents, teachers, and children, we can help your child to develop to his or her full potential. This program is conducted by Mrs. Sharkey and Mrs. DeVico.

Parents who have attended in previous years report the program is both helpful and fun. Each night children will play games and complete activities that will help them learn to read. Parents will get tips on helping their child. Children will receive books to read and keep at home. The program will be held in the **Primary School Library from 6:00 – 7:30 on Thursday January 14, 21, 28 and February 4.**

Each night a different topic will be covered. It is best to attend all four sessions, but you are welcome to attend whichever dates fit into your schedule. Parents and children attend together.

**If you are interested in attending, please complete the bottom portion of this letter. Don't miss out on this opportunity!**
