

*2nd Annual Jazz Brunch - Silent Auction
Benefiting The Grief Resource Center*

Dear Donor,

The Grief Resource Center (TGRC) is making plans for our **2nd Annual Jazz Brunch ~ Silent Auction to be held at The Club at Carlton Woods on Saturday, November 6th from 11:00 a.m. to 1:00 p.m.** The success of this event is credited largely to our sponsors, who lend their names and financial support to the event. The money we raise this year goes toward the expansion of our programs and services, and this year's goal is \$50,000 dollars.

Through our programs and services TGRC provides support for children and adults, addressing individual needs as well as integrating the needs of the whole family, after experiencing the death of a loved one. We connect children, youth, teens, and adults by similar loss and experience by providing a variety of peer support groups and on-going study programs, as well as educational seminars, creative workshops and community memorial services. We provide services that go beyond traditional grief support groups and include an array of services and information under one umbrella.

We are requesting help from our community's businesses for contributions for our silent auction. The information required to donate items for our event are detailed on our gifts-in-kind commitment form. You can be secure in the knowledge that your contribution(s) will be used to help expand the programs and services of TGRC.

We're counting on your support, and will be happy to answer any questions you may have. It is from the hearts of others that we can meet the needs of grievers in our community through an event such as this. Thank you in advance for your willingness to support the efforts of TGRC and make a difference in our community.

With Warmest Regards,
