***For the Lord is good; His mercy is everlasting, And His truth endures to all generations.*** Ps 100:5 (NKJV)

What a wonderful two and half days of information, dialogue, and interaction that we experienced at our just concluded 2011 Leadership Conference – the first of this new centennial of CHSC. As the newly elected president and presiding bishop (elect), I was nearly moved to tears (and it takes a lot to make me cry) to see approximately 72 “registered” attendees before the first session opened. By the end of the day, there was standing room only. There were even some who were seated inside the conference room 3 hours before the first session.

I want to thank all of our presenters and facilitators who, not only kept the audience’s attention, but provided valuable materials to take home. Bishop James Hudson, our invited guest, provided excellent insight regarding church governance and compliance and relationship to parent corporations. There was never a dull moment and all of our presenters “Hit the Ball Out of the Park!”

In addition to all of the great presentations was the announcement of 9 new churches into CHSC with requests from 2 international churches/congregations to join CHSC. This is great news and we look forward to the announcement of more confirmed churches by the national conference in August.

If this leadership conference was an indication of things to come, CHSC is in for tremendous blessings and a “renaissance” for all of us. I am definitely excited at what God is doing and is going to do in the lives of all of us and I pray that we, as an organization, can truly continue moving forward.

Information regarding next year’s conference location will be coming soon – hopefully within the next 7 days. I believe we will have the same energy from this year’s conference carried into next year. Mark your calendars for January 26 – 28, 2012. We look to build upon the new schedule format we had this year and to include more leisure time for tours and fellowship with family and friends.

Again, thanks to all of the volunteers and those who helped make this conference a great success. Special thanks to the pastors and churches who loaned audio, media presentation, and copy and office equipment to help the conference as convenient and professional as possible.

We look forward to seeing each of you at our first national conference of our new centennial. Information regarding the location is in the “final approach” stage (those who attended the “Are We There, Yet?” presentation understand this terminology.) Thanks for your patience.

Kindest Regards and God Bless you all.

“Expectation Demands Participation!”
