MEMO

FROM: Craig E. Brown
SUBJECT: CHSC 100 Years Celebration Bible - **Second Production Run**
DATE: August 23, 2010

The last shipment of Bibles, that was inadvertently shipped to Los Angeles, California, is expected to dock in Indiana on Monday, August 23, 2010. The final allocation has been completed by Sis. Monica Stevenson, Director of Finance and, the bad news is that there are no "extra" Bibles for sale as the entire inventory is reserved for those who pre-ordered or for those who purchased and paid during the convention. The good news is that we will be authorizing a second production run of the Celebration Bibles within the next 10 days, therefore, if you missed out on purchasing a Bible either before or during the conference, now is your opportunity to be included on receiving this historic and commemorative journal during the second production run.

Please understand that there are pre and post "production" costs, therefore, we must place the order in specified quantities to justify the expense associated with the production of the Bibles. Every member of CHSC should have this Bible as part of their collection. CHSC churches should keep several on hand for very special presentations or for your members to purchase at a future time. The cost is **\$100** per Bible which includes and "e-Bible" CD for installing on your laptop or desktop (shipping and handling charges in addition.) The Bible speaks for itself.

Besides the 19+ CHSC pages centric to CHSC, this NKJV Bible features:

- Complete cross reference, including translators' notes
- Over 15,000 verse-by-verse study notes
- 150 Bible times and culture notes
- 114 articles on the key doctrines of Scripture
- 350 Word studies with Strong's numbers
- Timelines related to the books of the Bible, giving dates for important events...and so much more!
- Front leather cover is foil stamped with the CHSC 100 Years Celebration Logo.

We are also able to offer an additional leather cover and color option – maroon. The maroon Bible feature is the same as the black with the exception of the CHSC 100 Years Celebration Logo is stamped on the back cover (versus the front.) This is due to the fact that the front cover has a pattern that does not make it feasible to stamp the logo on. Everything else remains the same.

Time is of the essence as we will eventually need to close the acceptance of orders in order to begin the production process and receive the product in a timely manner. The deadline for this special second production run is **September 20, 2010**. Payment for all orders must be made online at www.chschurch.org or you may mail your check to P.O. Box 201977, Arlington, TX – 76006. Mail in payments that are checks must be received by September 13, 2010 in order to clear with the bank.

Do not let this opportunity pass by you. Partner with your family and your church members as this is the one Bible you must have to share with generations to come.
