JULY STATE TITLES U11-14-15-16 REPORT

The boys U11-14-15-16 State Tiles have concluded and it was the most successful collectively to date for these age groups.

Our flagship U16 boys finished runners-up with 8 wins and 1 loss to eventual winners Met Far South, remarkable improvement from last year's disappointing performances. We are extremely proud of your efforts which has gained us valuable respect in the football community, thank you.

The gallant U15's came in a competitive 5th, which again is mark improvement from last year, with no bad performances but lots of courages ones. The losses we suffered were by minimal margins to teams that boast 3 regions within 1, no blowout in scores, great work boys you were competitive all week.

Relentless U14's finished with 3 wins, 4 draws and 2 losses which is a far cry from last years 3 wins, 4 losses and a draw. two of those draws were in the last 30 seconds, that if we held out, we would have toppled this age group. We finished equal fourth with power house Met North.

Mighty U11's also did our region proud and finished 5th with 5 wins and 4 losses, which included wins to Metro sides which is a remarkable achievement for this age group.

We are extremely proud of how the boys not only conducted themselves on the field but off the field, they were even greater. We received many accolades from motels, restaurants and tournament organisers on the behaviors and sportsmanship of our boys.

To all involved from Players, Coaches, Managers and Parents, thank you for a job well done

OCTOBER STATE TITLES U12-13B, U12-14-16G NEWS

The annual Football NSW State Titles, which are an integral part of the Football NSW Elite player pathway, have been scheduled for the October school holidays from 12th to the 16th October. The age categories for the October titles will be 12-13 boys and 12-14-16 Girls. Football NSW have been charged with the presentation and conduct of trials for Met

Far North which brings together two great associations in Ku-ring-gai and Central Coast.

All trials will be held at the Central Coast centre of excellence at Budgewoi FC. Please note that the only criteria to be eligible to trial is that you reside in Kuringai or Central Coast Associations boundaries and these trials are open trials and everyone is welcome.

You must register via FNSW to trial, there are two ways of doing this, use which ever you find easier:

- Download form from www.passion-futbol.com - complete it and send via email to Ben Wright on benw@footballnsw.com.au and Steve Arbelo FNSW Area manager on pfutbol@bigpond.net.au or fax it to 8814 4484

or

- Register via emailing us direct on pfutbol@bigpond.net.au with following information:
 - Name and Address
 - Date of Birth
 - Preferred position and second position played
 - FFA ID if known, can be obtained via <https://live.myfootballclub.com.au/lookup/> or ask your team manager
 - Current club
 - Contact Numbers

Trials: OPEN

GRASSROOTS DEVELOPMENT PROGRAMS 2009/10

Note: All information is available by visiting
www.passion-futbol.com

Football NSW has long been the premier provider of grassroots through to elite coaching programs for players in NSW. Our coaches and programs have been proven to be amongst the best available to players in this country. The 2009/10 Programs will be an opportunity to continue enhancing the quality, accessibility and adaptability of our programs. With a shift in philosophy FNSW aim to deliver programs in 2009/10 that are amongst the best not only in terms of technical teaching but also in the teaching of game awareness. Football NSW also aims to make our programs more accessible to players at a grassroots level by providing a Centre of Excellence at FNSW Headquarters along with Regional Programs across the Sydney Metropolitan, Central Coast and Wollongong regions at a cost well below current market value whilst delivering quality coaching well above the market average. On top of this the delivery will be more flexible in offering program blocks whereby families may chose attend the complete program or school term blocks separately thus reducing the overall cost as needed. It is hoped that each area is able to achieve full squads in each age group by providing a more flexible and financially accessible program for 2009/10.

Ages in 2010
