***Wherever you are on life's
journey, you're welcome
here....***

At St. Paul United Church of Christ, we reach out to welcome all who are searching for an active and meaningful spiritual life...

Would you like to walk a closer walk with God, but aren't sure how to do that? We don't pretend to have all of the answers, but we welcome all who ask the questions that can bring us closer to God in Christ....

Not sure what you are searching for, but you know that you are searching? That's fine, too. We know that each person has to find his or her own way to God, and welcome those who are on that journey...

In short, we invite you to join us as we approach God in our daily lives. It's an exciting journey, and we hope you will walk with us....

***What is the United Church
of Christ?***

Formed in 1957 as the union of four Protestant traditions with roots reaching back to the 16th century, the UCC is a community of faith that seeks to respond to the Gospel of Jesus in all we say and do.

We're the church of "no boxes," believing that God can blow the lid off any box, unfold it, and turn it into a dance floor.

We believe in one God, one faith, one baptism for all. We believe that God is still speaking; we just have to take time from our busy lives to STOP and listen.....

Please ask us for the UCC brochure "Who We Are, What We Believe" for more details.

***Who are we at St. Paul
UCC?***

Serving our community since our founding in 1864, St. Paul UCC is a congregation of active Christian life.

We actively seek to live the Word of God in our daily lives, reaching out to those in need, whether temporal or spiritual.

We nurture our own spiritual life through weekly worship, Bible study, prayer, Christian education for adults and children, musical ministry, and through the practice of two sacraments – communion and baptism.

We nurture others through mission and relief services, both on the other side of the world and in our own backyard.

In short, we engage a worn and weary world, knowing that the Gospel of Christ can bring peace and joy to ourselves and others....
