***NOTE: Some glass options may limit Energy Tax Credit eligibility. Contact your Sales Rep.**

****THIS DOCUMENT IS NOT INTENDED TO CONSTITUTE LEGAL OR TAX ADVICE. MORE COMPREHENSIVE INFORMATION WILL BE MADE AVAILABLE BY THE IRS. INDIVIDUALS SHOULD CONSULT THEIR OWN INDEPENDENT TAX ADVISERS.**

U-Factor and Solar Heat Gain Coefficient (SHGC) ratings can be found on the National Fenestration Rating Council (NFRC) label that is affixed to every window and patio door unit manufactured by Park Avenue. Homeowners should retain the manufacturers' NFRC Certification Label(s) with their records, but are not required to submit it with their tax return.

The Park Avenue E³Max® Glass has received the GreenSpec®-Listed designation by BuildingGreen, Inc., an independent company committed to providing accurate, unbiased, and timely information on building industry products. The GreenSpec® Directory lists product descriptions for over 2,100 environmentally preferable products. To find the right products for your energy-efficiency goals and regional requirements, contact your authorized Park Avenue dealer.
