November 12, 2007

Dear Parent(s)/Guardian(s);

Congratulations! Your child has expressed an interest in furthering his/her education after high school by wanting to participate in the 2<sup>nd</sup> annual Way of Life HBCU college tour! This year we have partnered with the Chi Chi Omega Chapter of Alpha Kappa Alpha Sorority, Inc. and will be visiting universities in Ohio, Baltimore MD, and our nation's capital, Washington D.C.

You **AND** your child must attend a monthly meeting held the third Sunday of every month beginning December 16, 2007 at Tabernacle of Hope SDA Church located at 6120 N. Michigan Rd. It is imperative that you the parent participate in these meetings so any questions or concerns you may have can be addressed.

A **NONREFUNDABLE** deposit of \$25 must be mailed with the application packet. To make the cost of the tour more affordable we have implemented a payment plan for your benefit. The first payment of \$50 will be collected at the first informational meeting. A second installment of \$75 will be collected on January 17, 2008. The final payment of \$100 will be collected at the February 17, 2008 meeting. Make all checks and money orders payable to **Way of Life AMEC**.

Signing this permission slip acknowledges that you the parent have read and understood that this college tour is being coordinated by a church and sorority. Please note that this is not a fundraiser or recruitment event and in no way will you or your child be obligated to attend any church service as a requirement for the tour.

We look forward to meeting each of you and are excited to have you be apart of the 2008 2<sup>nd</sup> annual Way of Life HBCU college tour.

Sincerely,

*LaToya Bannister Hill*

**Optional:** If you would like to apply for a scholarship covering the total cost of the tour, simply write an essay answering two of the three following questions. Essays must be typed, at least 300 words (roughly one page) per question, and double spaced.

What is your reasoning for wanting to attend a Historically Black College/University instead of a traditional college?

What steps have you taken towards achieving a post-secondary education?

How do you think college will prepare you for your career?
