Exciting news! To further our dedication to helping people live healthier, more rewarding lives, Shaklee has teamed up with top-notch benefits providers to bring you some excellent health insurance choices. It's ideal news for you if you're looking for a reasonably priced health insurance plan, and ideal news for prospects too. Whether you're looking for a major medical plan or a basic coverage plan, whether you're in your twenties or you're a senior, there's something to meet your needs. Now people will be more eager than ever to join the Shaklee family—and it's an outstanding incentive for them to establish a **career** with Shaklee! Plans are available in all 50 states.

Your health and wellness is a top priority to everyone at Shaklee.

Shaklee Distributor Health Insurance Program combines two programs—a major medical and a defined benefit program. Choose either or both. There is also a Senior Program with plans that provide coverage for medical expenses that are not covered by Medicare.
