

CANDIDATE APPLICATION FOR C* EXAMINATION

This application **must** be lodged through your Zone Assistant or Zone C* Co-ordinator.

(Before sending, you will firstly need to enquire as to the intended fee that will be charged by your Zone to cover the examination costs. These fees are individually set by Zones according to the number of candidates involved and relevant charges necessary for Examiners etc. The minimum recommended fee is \$35 per candidate, however it may be necessary for some Zones to make this a little higher to recover costs. In order to not make this fee exorbitant for candidates, some Zones may need to look at subsidising this charge through fundraising efforts or grants. Your Zone C* Co-ordinator will advise you if payment of an examination fee is required to be sent in with your application, or whether payment should be delayed until a later date when specific costs are known and an appropriate fee can be worked out..
