

When we hold our camps we always include a craft session, so far the kids have made snoods (in club colours) browbands (in an amazing array of colours) and topped it all off with a pyjama disco (which even the parents got carried away with!!!)

Our camps are always so much fun and the kids have a blast.

**Fiona McAlpine**

Busselton Horse and Pony Club

**SNOODS**

We bought netting fabric and cut circles out that we ran an elastic gathering stitch around.

The kids then stiched them on silver hair clips and hot glued ribbon bows on to cover the stitching.

So now the girls can put their hair up into the snood out of the way at rallies in the club coloured snood!
